SECTION I: GENERAL INFORMATION

A. About the WDBSCW

The Workforce Development Board of South Central Wisconsin (WDBSCW) is a non-profit organization that collaborates with businesses and workforce in the counties of Columbia, Dane, Dodge, Jefferson, Marquette, and Sauk to promote a healthy economy. We adapt to the changing economic environment and respond to the pressures felt by workers, businesses, and communities in our six-county region. We are recognized for our ability to anticipate needs and forge partnerships to address those needs directly.

The WDBSCW's vision is to build public and private partnerships that support innovation and excellence in workforce development by maximizing access, alignment, and accountability to build a talent pipeline for companies and workers. We dedicate time, talent, and financial resources to: collaboration, flexibility, innovation and improvement, regionalism, customer focus, fiscal responsibility, valuing people, and performance accountability.

The WDBSCW has worked to coordinate various funding sources, initiatives, and efforts under a common American Job Center and WorkSmart Network branding strategy. The American Job Center and WorkSmart Network in the South Central Wisconsin Workforce Development Area is built on a Career Pathway Framework to support individuals' exploration and continuous engagement in a work-and-learn strategy to advance their careers. American Job Centers are the main service delivery locations for the workforce development system and serve as office locations for the majority of the WIOA-funded staff. The American Job Center and workforce development system are also supported by community-based partners, which together, compose the WorkSmart Network.

WDBSCW seeks service delivery proposals that meet the purpose and expectation of this RFP and are aligned with the WDBSCW's principals. Through these services, the WDBSCW expects to achieve a measurable and positive impact on the success of employers and workers in the south-central Wisconsin region. This procurement is not "business as usual" for the WDBSCW. This is an opportunity to implement specific strategies targeted to prepare and connect adult workers to careers in high-growth, high-opportunity, and high-demand industries in the south-central Wisconsin region. It also offers selected service providers an opportunity to engage in workforce development efforts, collaborations, and partnerships that are unique to the south-central Wisconsin region.

B. Purpose of Request for Proposal

The purpose of this Request for Proposal (RFP) is specifically to solicit competitive proposals to retain a One-Stop Operator to support the South Central WI comprehensive One-Stop Center in Dane County located at 1819 Aberg Avenue in Madison, Wisconsin. Contract(s) resulting from this RFP are anticipated to commence on July 1, 2020 and end June 30, 2021.

Based on future funding availability and contractor's performance, the Workforce Development Board of South Central Wisconsin reserves the option to extend the contract. Renegotiation will be initiated by the WDBSCW before the expiration of the first year's contract. In order for the WDBSCW to exercise a

contract extension, consideration will be based on defined performance outcomes, future funding availability, contractors' satisfactory performance, and other factors. However, the WDBSCW is not bound to exercise a contract extension or renewal solely on stated performance outcomes.

WDBSCW currently estimates the available funding will not exceed **\$93,000** for the one-year period of July 1, 2020 through June 30, 2021. Final funding awards will be based upon WIOA funding allocations, WDBSCW priorities, and other factors at the discretion of the WDBSCW. This framework identifies the specific roles and contract conditions required. Funds available through this procurement are to include all salary/wage, fringe, and associated costs. Cost price comparisons will be a component of the review process.

G. American Job Center and WorkSmart Network

The regional One-Stop Workforce Development System and WorkSmart Network model was developed from a strategic planning process in which Workforce Development Board committees engaged program partners and current contractors to identify critical workforce development system elements to be incorporated into the model. The WDBSCW intends to maintain a regional platform that extends across six counties of south-central Wisconsin and builds on the existing American Job Center Structure. The current structure includes three Job Center locations with full-time, WIOA-funded staff (Dane, Jefferson, and Sauk Counties). The Dane County Job Center is the single Comprehensive American Job Center for the region. The Workforce Development Center of Jefferson County and Sauk County Job Center are Affiliated Job Center locations. There are additional community locations which the WorkSmart Network (WIOA Title I) services are delivered, but positions associated with the WorkSmart model for which the OSO will be involved with managing are primarily based in the three Job Center locations. For a mapping

of the Job Centers and current WorkSmart Network, please see the reference documents located on the WDBSCW website (<https://www.wdbscw.org/>).

Comprehensive American Job Center	Dane County Job Center 1819 Aberg Avenue Madison, WI 53713-4221	
Affiliate Sites	Workforce Development Center of Jefferson County 874 Collins Road Jefferson, WI 53549-1976	Sauk County Job Center* 505 Broadway Street Room 232 Baraboo, WI 53913-2183

*WDBSCW maintains the lease for the Sauk County Job Center. Proposed budgets will **not** need to account for lease expenses.

A successful proposal will support and incorporate the following elements:

1. Support the maintenance of a regional platform that extends across the six counties of south-central Wisconsin (Columbia, Dane, Dodge, Jefferson, Marquette, and Sauk Counties), is anchored by the existing American Job Center and Affiliated Site locations, while engaging WorkSmart Network partners.
2. Maintain active engagement and participation in the local Memorandum of Understanding (MOU) to support a coordinated menu of services with partners to provide comprehensive customer services to employers and workers through the American Job Center.
3. Incorporate continuous improvement practices to meet and exceed established performance goals.
4. Support and utilize the WDBSCW sector partnerships to guide system services and activities.
5. Adhere to American Job Center and WorkSmart network branding parameters and WDBSCW initiatives.
6. Engage in the expansion of services to targeted, barriered, and underrepresented populations while adhering to Equal Opportunity (EO) and accessibility requirements.
7. Maximize the utilization of technology to expand the availability of services and activities.

Due to the continuous evolution of WIOA guidance, bidders are strongly encouraged to be familiar with online resources.

H. Overview of the Roles of the One-Stop Operator

The One-Stop Operator will provide support to the Dane County Job Center (single comprehensive American Job Center), Affiliate Job Center locations, and other workforce system service locations in the South Central Wisconsin Workforce Development Area.

Proposed Services/Roles:

1. Support the WDBSCW in the management of the South Central Wisconsin American Job Center/One-Stop System Memorandum of Understanding (MOU).
2. Support the WDBSCW in maintaining the Dane County Job Center Comprehensive American Job Center Certification status as well as the Affiliate Job Center Certification status.

3. Implement training or staff development, such as customer services training, cross-training on Partners services or other community services, for the American Job Center staff.
4. Support the coordination of outreach and recruitment plans for the American Job Center.
5. Support the alignment and expansion of WIOA Youth services and initiatives with the American Job Center. This would include the Out-of-School and In-School Youth platforms and contractors.
6. Insure compliance with all state and local policies and procedures related to the American Job Center. Examples include: serve as complaint officer; conduct ADA, Equal Opportunity, and Accessibility compliance reviews; and arrange technical assistance as needed.
7. Implement and oversee technology solutions to manage and support enhanced cooperation and coordination of Core Partner Programs (Activities and Resources).
8. Responsible for coordinating physical space planning, monitoring upkeep, and facilitating adjustments.
9. Support the achievement of WIOA performance standards.
10. Support the continuous improvement, integration, and alignment of WDBSCW initiatives.

I. American Job Center System and WorkSmart Network Service Design

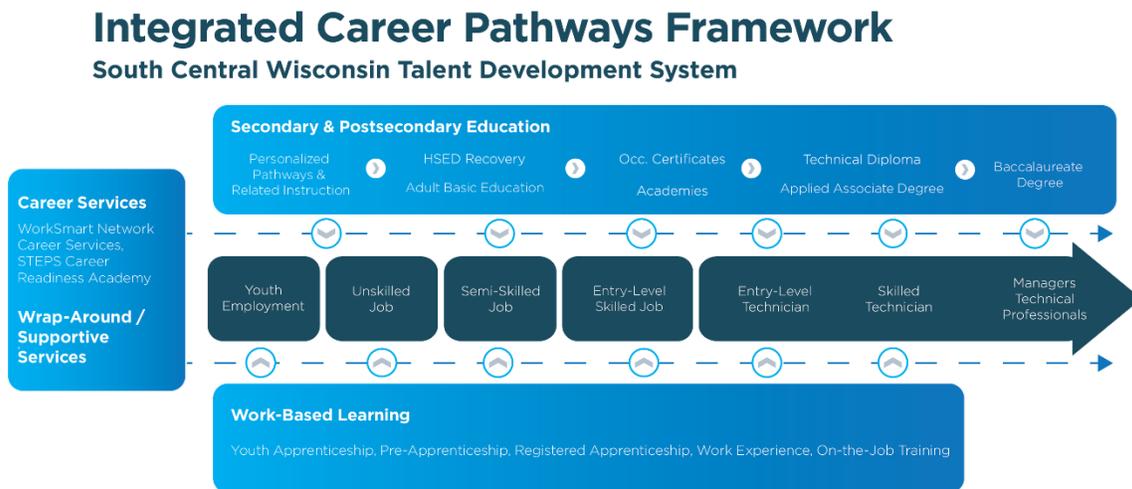

In developing the WorkSmart Network service delivery design, the WDBSCW examined the intent of the Workforce Innovation and Opportunity Act as far as expectations for new levels of collaboration among the other American Job Center WIOA-funded partners: Job Service, Department of Vocational Rehabilitation, Veterans Services, Department of Health Services, Department of Corrections, and the technical college adult basic education activities. The WDBSCW also considered the current and projected profile of program participants. There was acknowledgment that future participants across all our work: in-school youth, out-of-school youth, disadvantaged adults, and dislocated workers are facing similar challenges but may require different strategies to prepare and engage in the workforce. The need to be able to engage at various times throughout their career and the growing need to continue their skill development has been and continues to be confirmed by feedback from business and industry. Businesses continue to express that their greatest hiring challenge is identifying people who have strong workplace skills and technical skills. Thus, the WDBSCW validated that the Career Pathway Framework continues to be the foundation for our work (reference [Figure 1](#)).

The WDBSCW also considered the new emphasis on deliberate recruitment for and the delivery of career and training services in the WIOA legislation. Career services includes a significantly more robust package of services which could offer participants a direct path to employment. WIOA also emphasizes the alignment of partner resources to support participants in career services, including deploying staff resources so that we are not duplicating the career services provided by our American Job Center partners. To support the intentional alignment, WIOA legislation requires that the WDBSCW execute a Memorandum of Understanding (MOU) with other American Job Center partners to articulate service delivery alignments and the financial platform required to sustain the operation.

The One-Stop Operator will help the WDBSCW and its staff to guide, coordinate, and evaluate the American Job Center services delivery alignments, continuous improvement efforts, compliance-related issues, and performance.

The WDBSCW through its strategic planning discussion also acknowledges the reality that we are currently in unprecedented economical times. Our efforts to engage the workforce, which may include unemployed, underemployed or marginally-employed, will need to continue to evolve. This evolution will require our services strategies to meet the workforce where they are; physically, geographically, and developmentally. This will likely lead us to develop new collaborations, platforms, and delivery schedules. It will be essential for the One-Stop Operator to understand these elements and factors while also being able to build morale and lead initiatives.

The Review Committee is compiled of WDBSCW Board members and possibly community members who have no fiduciary interest in bidding for any of the WIOA programs. All WDBSCW staff and Review Committee Members have signed nondisclosure agreements and cannot be lobbied or share any information relating to the procurement review process or submissions.

Proposals will be scored based on evaluation criteria outlined previously in [Section II-A](#). These rankings will be used to identify the strongest proposals. Once the strongest proposals are identified and affirmed by the review committee, the proposals will be further discussed and the committee will formulate the recommendation(s) for contracting. **Note: WDBSCW retains the right to request additional information from any applicant, request oral presentations from applicants, or conduct site visits from any applicant before a contract award. If no response adequately addresses the services and outcomes requested, the committee may recommend that no award be made.**

Phase III: The recommendations of the Review Committee, if any, will be presented to the WDBSCW Board of Directors for approval and award of contracts. All contract awards will be considered provisional pending receipt of any additional documentation regarding administrative qualifications, any other areas of concern, the successful completion of contract negotiations, and the availability of funds.

D. Withdrawals

A submitted application may be withdrawn prior to the application due date. A written request to withdraw the application must be submitted to WDBSCW. If a bidder does not withdraw a proposal by the due date, the proposal becomes the property of WDBSCW and may be subject to public disclosure.

E. Disqualification

Proposals containing one or more of the following will not be considered nor subject to appeal:

1. Proposals and any requested information received after the stipulated due date and or time;
2. Proposals that are incomplete, not containing all required documentation stated;
3. All mandatory certifications not completed and/or submitted;
4. Not printed on 8.5" x 11" plain white paper with 1" margins on each side, top and bottom;

11. Inappropriate contact. To avoid actual conflicts, the appearance of conflicts, or undue influence over the process, all prospective applicants, their employees, agents, sub-applicants etc. are prohibited from contacting any WDBSCW member, staff, or other persons identified by WDBSCW regarding this RFP.

F. Appeals

Applicants will receive written notice advising them of WDBSCW's selection from this RFP. Non-selected applicants have the right to file one original appeal.

To appeal, the applicant must submit a letter to the WDBSCW Executive Director within three (3) business days from the date of selection notification. The letter must state that an appeal to the selection is being filed and all specific reasons for that appeal or disqualification must be based on one or more of the following:

- Clear and substantial error or misstated facts upon which the decision was made by WDBSCW,
- Unfair competition or conflict of interest in the decision making process,
- Any illegal or improper act of violation of law, or
- Any other legal basis on grounds that may substantially alter WDBSCW's decision.

The letter of original appeal must be received within three (3) business days, by 4:30 p.m. CDT, from the date of selection notification via a traceable delivery system that requires signature upon receipt at the address below. Letters of original appeal cannot be submitted via facsimile or electronic mail. The same person that signed the applicant-submitted proposal must sign the letter of original appeal.

WDBSCW's Executive Director will review the original appeal and determine whether or not the appeal meets one of the established criteria. The applicant will receive written notice advising as to whether or not their original appeal has been accepted or rejected within ten (10) calendar days from the appeal date. In the event that the WDBSCW's Executive Director's response is not satisfactory to the applicant; one subsequent appeal to the WDBSCW Executive Committee is permitted. This appeal must clearly state why the applicant believes a review is justified and must be submitted in writing within ten (10) calendar days from the date of the Executive Director's decision to:
