Brakebush is a growing, state of the art, further processed poultry facility.

We are hiring for production, maintenance, sanitation, and electrical positions. See the reverse side for details.

ABOUT US

Brakebush Brothers family business was founded in 1925 by William and Otto Brakebush. Over the years, we have evolved from livestock delivery and egg handling into a technology driven poultry processing plant. Through it all, the Brakebush family has kept the same ideals: provide the highest quality product at a fair price and back it with the finest service.

Our corporate office is in Westfield, WI, where we have over 1,100 employees. In 2013, we acquired a state of the art portioning facility in Irving, Texas. In 2016, we acquired an additional facility in Wells, MN, and we added a facility in Mocksville, NC in 2018.
MAINTENANCE & ELECTRICIANS

Earn $20.52 to $31.14/hr

These positions are all skilled trade, technical jobs, which require lengthy training of several months to several years to become proficient and capable. Employees in these positions require additional formal training/education at a Technical College earning a two year AS degree in Industrial Maintenance, Electrical and Instrumentation, Electronics, etc.

Employees with these skills are involved in installation, programming, diagnosing and repair of the computer controlled and automated equipment - including conveyors, ovens, freezers, packaging and refrigeration and PLC (programmable logic controlled) equipment. Additionally, this work is also very physical in nature requiring employees to lift, bend, carry, and climb.

BENEFITS

All of the full time positions at Brakebush include a competitive wage and comprehensive benefit package which includes:
- Medical, Dental and Life Insurance
- Employee Retirement Savings Plan (With Company Match)
- Paid Holidays (8)
- Paid Vacation and Sick Time
- Tuition Reimbursement
- Annual Bonus Program
- Additional Voluntary Benefit Options

Brakebush Center for Health offers on-site, zero-cost services to all Westfield team members as well as covered dependents.

Services include:
- Medical Staff (physicians, urgent care, blood tests, Rx)
- Physical Therapy
- Health Coaching and Wellness Program
- 24/7 Fitness Center
- Personal Trainer

(800) 933-2121 ext. 1277

PRODUCTION & SANITATION

Earn $15.00 to $19.98/hr

Production jobs include 1st and 2nd shift Line Workers, Transporters, Product Scalers, and Process Operators. Job skills include ability to read, write and perform basic math functions. Physical requirements include the ability to stand and walk for up to eight hours daily and lift, bend and carry objects that weigh between 35 and 70 pounds. Training time for these jobs varies from several days to several months.

Sanitation workers are responsible for cleaning all areas of the plant and equipment within the facility during 3rd shift hours. These jobs are more physically demanding and require significant lifting, bending, climbing, pushing, pulling and working at heights. Workers use various chemicals, cleaners, and high pressure cleaning equipment.
