OUR TEAM IS MISSING ONE THING – YOU!

The community we serve, the colleagues we work with and the facility we work in make the Goodman Community Center a pretty great place to work. Our staff is committed to strengthening lives and securing futures of all our participants, customers and facility users, from little ones to older adults.

Currently hiring:

Elementary Childcare and Programming Teachers

\$250.00 SIGN-ON BONUS! Any applicants that are hired for this position will receive \$100.00 after completion of orientation and \$150.00 after 90 days of employment.

Goodman Community Center is in search of multiple Elementary Childcare and Programming Teachers to help support our growing and changing program due to these unprecedented times of Covid-19. These positions will join our passionate and fun-loving team of teachers supporting our mission of strengthening lives and securing futures for our elementary aged children within our community.

The Afterschool Program at Goodman Community Center is shifting to support our community needs of all-day programming for children ages 5-12 year olds. GCC is a place for elementary aged children from all backgrounds to play, socialize, learn and grow. Our teachers are responsible for the supervision and management of their classroom while supporting GCC goals and outcomes. In cooperation with the Afterschool Team, the teachers plan and carry out daily activities, evaluates the effectiveness of the program and activities, ensure the safety and physical well-being of the children, maintains regular communication with parents, and contributes to the effective operation of the overall childcare programs.

Also hiring substitute teachers; sign-on bonus does not apply.
