

# WORK WITH US.

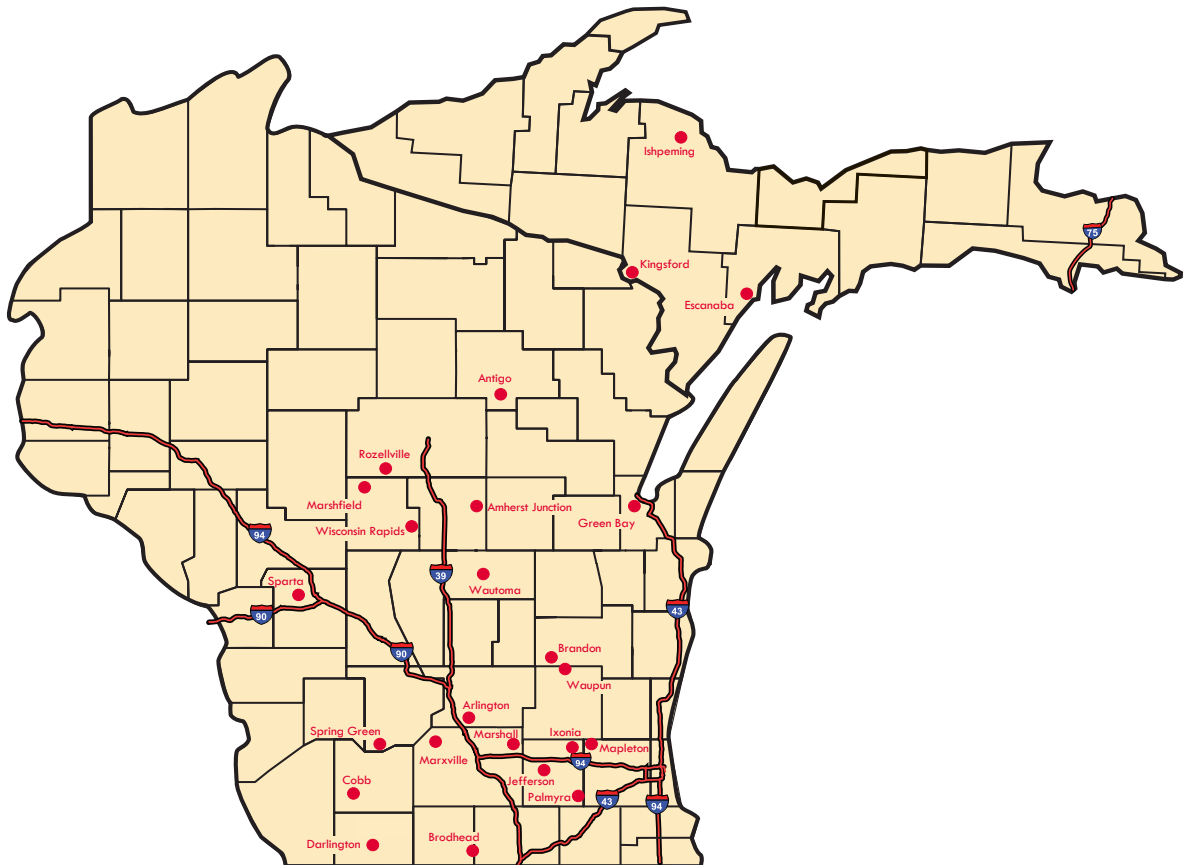

## We have a lot to offer. Choose Insight FS.

Insight FS is an agricultural and energy business, serving customers from 23 locations in Wisconsin and Michigan's Upper Peninsula. Headquartered in Jefferson, Wisconsin, Insight FS provides feed, agronomy, energy, agri-finance, seed and turf products and services, as well as grain marketing, to our customers. FS companies are part of the GROWMARK System, and strive to be the best cooperative system in North America.

## What you get, as an employee of Insight FS:

- Variety of positions throughout our territory
- Exceptional benefits
- 100% employer-funded pension
- 401k with employer match
- PTO available your first day of work
- Extensive personal and professional training and development opportunities
- Bonuses
- A robust health and medical plan, which advocates healthy living and wise choices
