

MILWAUKEE VALVE

1075 Water Street, Prairie du Sac, WI 53578

Established in 1901, Milwaukee Valve manufactures valves for a variety of industries including Industrial, Commercial, Fire Protection, Marine and the dry bulk hauling industries. Our products have been installed on every U.S. Navy ship built for the last 50 years.

Our heritage, our people, and our passion is to be the best, and Milwaukee Valve is proud of its engineering excellence and its employees who take pride and dedication in their work. In return, Milwaukee Valve offers an excellent benefit package, competitive wages starting at \$15.51/hr, and promotional opportunities including Health, Dental, Life and Disability Insurance options, Flex Spending, 401K with employer match, tuition assistance, paid time off, and shift premiums.
