

# Industry Councils

We're active on industry council across the South Central Wisconsin with the goal of supporting networking, industry promotion, workforce strategies and more.

DRAFT

## IT|BIO|HC Talent Coalition

The IT|BIO|HC Talent Coalition was founded in 2019 to better address some of the region's toughest workforce challenges - recruiting, developing and retaining quality talent in the information technology, biotechnology and healthcare industries.

## Youth Apprenticeship Advisory Council

The Youth Apprenticeship Advisory Council promotes YA as a workforce development solution and encourages local businesses to work with youth apprentices.

The Workforce Development Board of South Central Wisconsin is an equal opportunity employer/program service provider. This product was created with funding from the Workforce Innovation and Opportunity Act (WIOA). If you need assistance to access our services in a different language or need this material in an alternative format, contact us. Deaf, hard of hearing or speech impaired callers may reach us by using Wisconsin Relay Services at 711. Proud partner of the American Job Center network. v20210225

## Made In Dane Manufacturing Network

The Made In Dane Manufacturing Network is a team of manufacturers in Dane County who work together to create a space to share ideas and best practices, engage and build partnerships, and work to transform the image of manufacturing.

## Manufacturing Alliance

The Manufacturing Alliance aims to connect manufacturers and community leaders from across Sauk, Columbia and Marquette counties to focus on coordinated talent strategies, share best practices, promote smart technology utilization and address key issues to strengthen the economic health of the region.
